

## Service Alert Notification System (SANS) Customer Enrollment / Change / Removal Form

The Service Alert Notification System (SANS) is designed to alert Daily Mail Service customers of any significant change in their daily mail collection time or service level due to weather, road conditions, Postal Service delivery change or local emergency.

To enroll, change or be removed from the list, simply complete the form below and fax to (no cover sheet required) **269-383-0790**. Customer data will not be sold, leased or rented to any third party.

If you have questions about the SANS or need assistance, please contact our Sales and Customer Service Group at 800-653-3121 Ext. 202.
